Bellmore, NY

GPA: 99.1/100.0
SAT: Verbal 750, Math 740, Writing 800, Math IIC 770
National Merit Scholar

EXPERIENCE

Africa Center for Engineering Social Solutions SUMMER 2009
Intern • Nairobi, Kenya • access.engineeringafrica.org

Worked under former Coca Cola executive Clarice Odhiambo while launching her social enterprise. Interfaced with villagers, government officials, and other partners while designing agricultural tools to be mass produced by local artisans. Performed research for honors thesis on Kenya's informal sector and attended the Maker Faire Africa conference in Accra, Ghana.

A Better World by Design 2008-PRESENT
Founder & Chair • Providence, RI • abetterworldbydesign.com

Initiated and organized a student-run conference on globally conscious design, now held annually at Brown and the Rhode Island School of Design (RISD). In its first year, the conference raised \$75,000 and gathered an international community of 300 creative professionals and academics in Providence to discuss research in appropriate technology, urban planning, emerging markets, and sustainable design. Among the 20 speakers and 50 panelists were Architecture for Humanity Founder Cameron Sinclair and GrameenPhone Founder Iqbal Quadir. In 2009, the conference expanded to 600 attendees.

Revolution x Design 2008-PRESENT
Co-Founder • Providence, RI • betterxdesign.org

Founded a non-profit research center to develop academic partnerships among Brown, RISD, Providence, and communities around the world focused on design for social impact. Initiated several new courses and continue to monitor and showcase projects.

Engineers Without Borders 2007-PRESENT
Co-President • Providence, RI • students.brown.edu/ewb

Head an organization of student engineers that implements projects in developing world communities. Revamped the organizational structure to allow for flexibility and participation, as well as credit-bearing projects. Helped initiate programs in Kenya and India.

The Met Center for Entrepreneurship 2007-PRESENT
Teacher • Providence, RI • metcenter.org

Helped establish the Center for Entrepreneurship at the Met School, a charter high school in Providence. Developed the curriculum for and continue to teach (twice weekly) the Entrepreneurship 360 course in which students learn basic skills, write business plans, and compete for funding.

Pollen Design & Prepara SUMMER 2007
Intern • New York, NY • pollendesign.com & prepara.com

Interned at a product design consultancy, contributing to new product development. Supported operations for the firm's kitchenware start-up, Prepara, including financial systems, servers, and relations with suppliers, purchasers, and media. Worked directly under the President and Principal of Pollen Design, as well as the CEO of Prepara.

The Brown Noser & The Brown Jug 2006-2007
Founder & Editor • Providence, RI • thebrownnoser.com

Launched Brown's first satirical newspaper during my freshman year. Acted as Editor-in-Chief, Business Manager, Layout Editor, and Webmaster. Acquired and revamped the Brown Jug magazine and instituted a video arm, Brown Noser TV. Continue to advise, as Editor Emeritus, the organization's 60+ members on both structural and content issues.

Brown University Jazz Band 2006-PRESENT
Lead Trumpet & Flugelhorn • Providence, RI

Lead the trumpet section in rehearsals and performances. Toured in New York, Portugal, and Iceland.

Freelance Web Designer 2003-PRESENT
stevedaniels.carbonmade.com

Design, develop, and maintain websites for a range of professional clients (see stevedaniels.carbonmade.com). Work in a variety of programs and languages.

SKILLS

Languages

Java, C++, Arduino, XHTML, CSS, PHP, MySQL, JavaScript, JQuery, AJAX, ActionScript

Software

CAD, Photoshop, InDesign, Flash, DreamWeaver, Maple, Microsoft Office
